PRIVATE COCKTAIL CLASSES

Suitable for groups of 6 and over.

It's time to get shakin'! Our team are here to guide you through the basics of tin shaking, stirring, and straining. Your private lesson with one of our internationally trained bartenders will have you stepping behind the bar to make and drink your very own cocktails!

Whether you are here to perfect your at-home cocktails or just want an excuse for a good time, we are here to make sure you either start or end your day with cocktails.

Your class will involve a demonstration on how to create each cocktail from scratch. From there, you will be invited behind the bar and guided by your own personal teacher while you shake, mix and stir our signature selection of cocktails

With a sharing platter of your favourites like wings and jalapeño poppers and take-home recipe cards, this is the perfect plan for team-building activities, bucks and hens parties, birthdays, anniversaries, or just the best way to start or end your day in the city!

WHAT YOU GET ★

- » American-style grazing board of wings, jalapeño poppers, chips, onion rings, and more
- » Step behind the bar and learn how to make (and drink) three cocktails
- » Take home recipe cards
- » Polaroids of your booking to take home or add to our photo wall
- » Your signed Claw certificate to confirm you are now a professional mixologist
